Andrew J. Goodpaster
General, USA (Retired)
Distinguished Senior Scholar
The Woodrow Wilson International
Center for Scholars
Smithsonian Institution Building
Washington, D. C. 20560

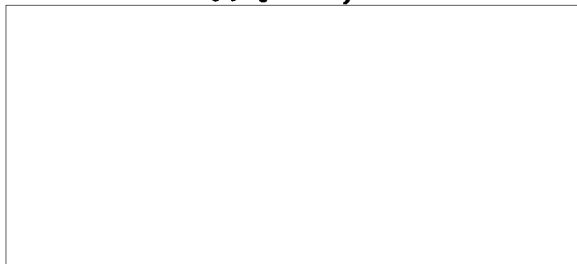

Dear General Goodpaster:

This is to thank you, Jed Snyder, and Samuel Wells for including me in the Center's recently concluded core seminar on nuclear proliferation.

The seminar was timely and provided both unique background and insightful projections for dealing with the complex range of issues embraced by the proliferation problem.

And the arrangements of Ms. Ely and Ms. Platt and the other members of the staff were consistently outstanding.

Sincerely, yours,

STAT
